Summary: Prior to June 27, 2017, a court was authorized to notify the Department of Motor Vehicles when a person has failed to appear or failed to pay a fine or bail, with respect to various violations relating to vehicles. Current law requires the department to suspend, and prohibits the department from issuing or renewing, a person's driver's license upon receipt of one of those notices, as specified. This bill would invalidate any suspension placed on a driver's license pursuant to that law and, on or before July 1, 2018, require the department to remove any suspension imposed before June 27, 2017, for failure to make specified payments.

SENATE APPROPRIATIONS, LARA, Chair

Summary: Current law provides that funds appropriated by the Legislature to the California Health Facilities Financing Authority and the Mental Health Services Oversight and Accountability Commission for the purposes of the Investment in Mental Health Wellness Act of 2013 be made available to selected counties or counties acting jointly, except as otherwise provided, and used to provide, among other things, a complete continuum of crisis services for children and youth 21 years of age and under regardless of where they live in the state. The act requires the commission to allocate funds to triage personnel, as specified. This bill would require the commission, when making these funds available, to allocate at least one-half of those funds for services or programs targeted at children and youth 18 years of age and under.

Summary: Current law prohibits the formulary or formularies for outpatient prescription drugs maintained by a health care service plan or health insurer from discouraging the enrollment of individuals with health conditions and from reducing the generosity of the benefit for enrollees or insureds with a particular condition. Current law, until January 1, 2020, provides that the copayment, coinsurance, or any other form of cost sharing for a covered outpatient prescription drug for an individual prescription shall not exceed \$250 for a supply of up to 30 days, except as specified. Existing law, until January 1, 2020, requires a nongrandfathered individual or small group plan contract or policy to use specified definitions for each tier of a drug formulary. This bill would extend those provisions indefinitely.

Summary: Current law provides that federally qualified health center (FQHC) services and rural health clinic (RHC) services, as defined, are covered benefits under the Medi-Cal program, to be reimbursed, to the extent that federal financial participation is obtained, to providers on a per-visit basis. "Visit" is defined as a face-to-face encounter between a patient of an FQHC or RHC and specified health care professionals. This bill would authorize reimbursement for a maximum of 2 visits taking place on the same day at a single location if after the first visit the patient suffers illness or injury requiring additional diagnosis or treatment, or if the patient has a medical visit and another health visit, as defined.
