Summary: Current law establishes various programs, including, among others, the Emergency

Housing and Assistance Program, homeless youth emergency service pilot projects, and Housing First and the Homeless Coordinating and Financing Council, to provide assistance to homeless persons. Current law establishes the council to oversee the implementation of the Housing First guidelines and regulations, and, among other things, identify resources, benefits, and services that can be accessed to prevent and end homelessness in California. This bill would require the council to assume additional responsibilities, including setting specific, measurable goals aimed at preventing and ending homelessness among youth in the state.

Summary: Current law prohibits the formulary or formularies for outpatient prescription drugs maintained by a health care service plan or health insurer from discouraging the enrollment of individuals with health conditions and from reducing the generosity of the benefit for enrollees or insureds with a particular condition. Current law, until January 1, 2020, provides that the copayment, coinsurance, or any other form of cost sharing for a covered outpatient prescription drug for an individual prescription shall not exceed \$250 for a supply of up to 30 days, except as specified. Current law, until January 1, 2020, requires a nongrandfathered individual or small group plan contract or policy to use specified definitions for each tier of a drug formulary.
